## **WE DID IT!**

We have exceeded our fundraising goal for the Parsonage Siding Project! Work will begin in the week of July 8<sup>th</sup> with trimming plants away from the house so scaffolding can be placed.

Starting mid-July, the siding needs to be taken off. We will need all sorts of muscle to get this accomplished by August 1<sup>st</sup>. We have a tight window where our siding expert is available (only 2 weeks) so we need skilled help to make sure this project is done quickly and correctly.

Mid-August, after the siding is completed, painting needs to be done. More skilled help is requested for painting.

If you are available, willing and able to assist in any phase of this project (and we definitely need you) please contact **Karla Johnson** at (360) 589-4289 or email [mkjohnsons@hotmail.com](mailto:mkjohnsons@hotmail.com).

*Our Vision:  
Welcoming all to a  
faith community of  
service and love.*

## Join the Care Team

There is a new congregation ministry team being formed here at Saron Lutheran/First Presbyterian. The purpose of this team is to provide more deliberate interaction and communication with members, both new and long time, concerning their pastoral care needs. The team will consist of volunteers from the congregation, the office administrator (Teri), and the associate pastor (Pastor Jeani). There will be three general areas of service but not all volunteers would be engaged in every area. This will be an action team not just an information gathering team that serves the congregation in the areas of comfort, wellness checks, and inclusion. The goal of the Care Team is to assist the senior pastor (Pastor Michelle) in caring for the congregation.

Are you intrigued? Would you like to share your personal gifts with the congregation? If you would like to be a part of this essential church ministry let Teri in the office or Pastor Jeani know. Orientation and training will be provided. We will be calling the first Care Team meeting in a few weeks.

## Property Committee

YOU DID IT! We've exceeded our fundraising goals (\$10,270+!) for the parsonage project and plan to pull the worn siding, replace it with new (hiring some expert help), repair any rot as we go, and paint the house this summer. If you'd like to assist in any of these areas, please let the office know. Warm thanks to those that put us off over the top: all assisting with the plant and bake sale, especially Sharal and her green thumb, as well as recent gifts from Gretchen & Ed Klein, Jeanne Johnson, Kirk & Kay Sund, Mark & Karla Johnson, and Dave & Marcia Smith.

### *Elevator Update:*

Our elevator is subject to a Consumer Product Safety Commission recall. Analysis has determined that the mechanisms are fully functional, however, a safety braking device—mandated by that recall—is required. The manufacturer, Waupaca Elevator, is producing those as quickly as they are able. We are in line to receive that part in August and it will be installed as soon as our regional service company, Olympic Elevator, can do so.

### *That Temperamental Dishwasher:*

Efforts have been underway to determine what, exactly, is the problem so we can replace the right part and make kitchen work a breeze once again.

The siding project planning team meeting will be Tuesday, July 9<sup>th</sup> at 10am at the Parsonage.
