THANK YOU

I would like to say thank you to the staff and council for their leadership during this time of unknown while I have been on maternity leave. I am eternally grateful for all the care and support they have shown. I especially want to lift up Pastor Jeani and Teri for keeping everything running in the office. This time with Claire has been so necessary for her and myself to bond and heal after a complicated birth. Claire experienced respiratory stress and had to be treated at Seattle Children's. We both are doing well and look forward to getting back to church. Thank you so much during that time for all the support and prayers. In addition, thank you all for banding together and supporting each other and the church.
